## **Warrant issued for burglary suspect**

Suspect Justin Glover

Shreveport Police investigators are seeking the whereabouts of a local man wanted in connection with the burglary of a west Shreveport business earlier this month.

Back on June 6, 2017, Shreveport Police patrol officers were called to the 500 block of West 67th Street relative to a business burglary. As officers arrived at the business, contact was made with the owner who advised he observed someone had tampered with the chain securing the gates to his property and further advised he noticed several items missing from within. It was determined that electronics were stolen from the business along with a kitchen appliance.

During continuous investigation into the burglary, Shreveport Police Property Crimes detectives were able to gather information and evidence leading them to name a local man in connection with the crime. Justin Glover, 33, of the 600 block of West 64th Street is now wanted in connection to the burglary. Authorities located a number of the stolen items in a subsequent search of Glover's home; however Glover was not present at officer's arrival. Detectives have since procured a warrant for the arrest of Glover for his alleged role in the crime. Persons with any information on the whereabouts of Justin Glover are asked to contact Crimestoppers at (318) 673-7373 or visit their website at [www.lockemup.org](http://www.lockemup.org). Bond in the matter has been set at \$50,000.00.
