**FOR IMMEDIATE RELEASE**

---

## **Warrant obtained for man in shooting investigation**

Suspect Cameron Harris

Shreveport Police investigators have identified the man they believe is responsible for a shooting which left another man injured in mid-April.

Back on April 19, 2017, Shreveport Police patrol officers responded to the 2100 block of Grimmett Drive regarding a man who had been injured after suffering a gunshot wound to the midsection. The victim, identified as 29 year old Carl Love, was transported to the hospital with what was described as non-life-threatening injuries.

Detectives with the Shreveport Police Department were advised of the shooting, responded to the scene and immediately began their efforts to determine who was the person responsible for the incident. Since the investigation into the matter was launched, authorities have worked tirelessly following up on leads and gathering information. As a result of continued progress, officials were able to procure a warrant for the arrest of 24 year old Cameron Harris, of the 700 block of Navajo Tail, charging him with a single count of Armed Robbery. It is believed, Harris robbed Love at gunpoint, subsequently shooting him following the encounter. Love, who survived the ordeal, continues to recover. Any persons with information on the whereabouts of Cameron Harris are asked to contact Crimestoppers at (318) 673-7373 or visit their website at [www.lockemup.org](http://www.lockemup.org). Bond in the matter has been set at \$150,000.
